Director's Report:

Jazz Auditions are being held

Solid Harmony – dates for auditions to be determined. They will do Singing Valentines this year

All State – there are 10 kids this year. Much different than in the past, the department budget will be impacted by this. Johnathan to get with Andy Werling about fundraising for this event.

Fundraising – Tiffany Bebber Reported:

\$234 was given to the Treasurer for Online Sales

\$110 will be sent to Tiffany from the Guild – they purchased RCR jackets/sweaters. The rest went to Stuff. There is \$6 in our Stuff account

\$2345 in fundraiser cards have been sold as of today, Tiffany gave the Treasurer this money.

A lot of discussion was had around prizes. It was agreed we purchase a "grand" prize item. Tiffany will look into options – maybe a tablet. Would like to keep it around \$100. Right now the top level is 30 cards. We will make a 4th level for 40 cards sold. If reach level 4 the kids will get a t-shirt, sweatshirt, and a yard sign. Boosters may consider letting kids that reach that level to use the money that would be spent on the sweatshirt towards a RCR jacket if they choose.

Fundraising card sales will end 11/20. Teale and Jonathan will continue to ask kids that have cards not sold to bring them back so kids would want them to sell can do so. Yard sign sales need to be in by 11/15.

Jonathan is pricing RCR jackets.
