Muscatine High School

River City Rhythm

Crew/Combo Handbook

Congratulations on your selection into "River City Rhythm"! We are very excited about your decision to be a member of the Show Choir program this year. We hope you are as excited as we are about your membership and what lies ahead for us in 17-18. It has been wonderful watching the progress our students have made over the years. Each year, we reach new levels of quality in our performances and we are looking forward to reaching even higher levels of quality this coming year. In addition, we enjoy watching the fun students have, the relationships they gain, and the growth they experience as people throughout the season.

Participating in show choir means making an important commitment to the group's rehearsal schedule, financial obligation, and performances. In show choir, everyone is equally important in achieving success. In an effort to clear up any scheduling issues, conduct expectations, attendance and travel expectations, and financial obligations well ahead of time, we wanted to give you this time to read and digest this information. We would like to make sure that we are all in agreement (in writing) about what is expected of you for this year.

The enclosed information deals with a number of important items you need to know as a show choir member. Please read the enclosed document carefully and discuss it with your parents/guardians. The agreement form needs to be signed and returned by Monday, January 22, 2018

We are very happy to have you on board for another great show choir season.

I. Rehearsal Schedule & Attendance Policy

The schedule for show choir is very important and is included in this contract. We ask that all students inform their director in advance of known absences. If a student is absent from a rehearsal without prior knowledge, they will have 24 hours from the end of the rehearsal for a parent/ guardian to contact the director in order to excuse the absence. Absences will be defined as excused or unexcused according to the MHS Attendance Policy. School policy indicates that competitions have priority over performances, a performance of any kind takes precedence over a practice of any kind, and that state events have priority over conference, district, or local events. Work is **NOT** an excuse for missing a performance or rehearsal. School activities will be worked around as much as possible. Absences due to early bird classes will be dealt with on an individual basis. Activities outside of school should be willing to work with your school activity schedule.

A student's commitment to show choir is made evident by attendance at rehearsals and performances. We will operate under a three-strike attendance policy. This policy allows three strikes per semester. A strike may be defined as any of the following:

*Poor attitude/Misbehavior

*Unexcused absence

*Tardiness (Two tardies = One unexcused absence) *Unexcused performance absence = Two strikes

At three strikes, the director will determine the consequences and/or whether the student will remain in the group. If a student is asked to resign from the group, they will forfeit all letter points earned to date. Any money paid for costumes at that point is not refundable. Any reported violation of the MCSD/MHS Conduct Code will result in the involved student not being allowed to perform under the guidelines laid out in the student handbook.

II. Performance Attendance

This generally has not been an issue, but it is important for you to know ahead of time. If you are scheduled to perform, you are expected to be there! Your absence severely affects the entire group. On stage, it is possible that your absence would cause problems that are impossible for the group to recover from. In show choir, there is no second string of players to choose from as replacements. All members are "starters".

Possible exceptions are, but not limited to, the following:

1. Family emergency/serious illness.
2. An unavoidable conflict with another school activity. If this occurs it is important that a student informs the director of which activity they are planning to participate in ASAP.

Students who have an illness/conflict must communicate it to the director at the soonest possible moment. If this is not done, the absence becomes unexcused. Student **CANNOT** request to miss an event for an "unexcused" reason. If the student misses an event for an "unexcused" reason, the student's absence will be unexcused (two of three strikes earned).

III. Rehearsal Expectations

(Policies include, but are not limited to, the following)

1. Students are expected to display the following rehearsal habits: a positive attitude, a willingness to work, and a respect for others and all school property. If a student is being disruptive through inappropriate actions or attitudes, or an unwilling work ethic, the student may be removed from the rehearsal and given an unexcused absence for that day, resulting in a strike.
2. Students who are not rehearsing or performing to the expected standards of the ensemble may be removed from portions or the entirety of the show choir show.
3. Students should plan on not having access to their cell phones throughout the entirety of the show choir rehearsal. An emergency number will be distributed to parents and students that allow for emergency communication with the directors.
4. CREW members should bring homework or something else quiet to do if they are not needed for the entire time.
5. CREW may be needed to help the moms with costumes. Treat them with the respect you would treat a director

IV. Important Out-of-Town Travel Info

(Policies include, but are not limited to, the following)

1. Students are not allowed to leave the performance facility for any reason, unless it is discussed and approved with the director ahead of time. Phone calls from parents/guardians on the day of an event are NOT acceptable. We must have total accountability of all students at all times. This is a very important liability and safety issue!
2. When we are at competitions, students will be expected to be in the performance hall watching other groups perform when they are not needed elsewhere (getting prepared to perform, eating food, etc.)
3. The Muscatine High School Conduct Code will be enforced at all times. Students must understand that they will be representing MHS when we travel. Poor choices on their part reflect on the ENTIRE school district, staff, and student population.

V. Student Field Trip Conduct Code

During show choir trips, my conduct will promote an excellent perception of students and schools in the Muscatine Community School District. I agree to follow these nine conduct rules:

1. My behavior will reflect a positive image at all times.
2. I will keep the field trip advisor(s) informed of my whereabouts and activities at all times.
3. If I experience any accident, injury, or illness during the field trip, I will report to the advisor(s) immediately. I will do the same if I see someone else injured or ill.
4. I am expected to observe the curfew if the trip is overnight.
5. If I steal or vandalize while on the field trip, my parent(s)/guardian(s) and I are expected to pay for the damage/product stolen.
6. I will not purchase, have in my possession, consume, or be under the influence of alcohol or drugs at any time.
7. I will not purchase, have in my possession, or use any tobacco product.
8. I will follow all instructions given by the advisor(s) and will do so with courtesy and respect.
9. I will follow all school rules, as well as state and federal laws.

I know I will be subject to disciplinary action and my parent(s)/guardian(s) will be notified if I break any part of the Conduct Code. If I break any part of the Conduct Code and the District decides to return me to Muscatine, all expenses incurred (including a chaperone if deemed necessary by the District) will be paid for by my parent(s)/guardian(s) and me.

VI. Stage Appearance

RCR Combo members will perform in dress blacks unless otherwise decided upon by the director. Students should be dressed professionally as our appearance on and behind stage has a drastic impact on the judges' opinion of the ensemble. Combo members should wear dress black clothing. All clothing should also meet the guidelines for MHS student dress code.

VII. MCSD/MHS Conduct Code

Any students found in violation of the MCSD/MHS conduct code will be handled in accordance with school policy and administration. This Code of Conduct is found in your student handbook and the athletic handbook. Please read this information carefully. If you have any questions, please contact your director or Activities Director Mr. Morgan.

VIII. Grades & No Pass/No Play

While in high school, a student's main responsibility should be to maintain good grades. The Iowa High School Music Association (along with the Iowa High School Athletic and Speech Associations) have a "No Pass/No Play" Rule. If at a semester's end, a student is not passing all of their classes, they will be ineligible to compete for 30 calendar days. However, they must still attend all practices during these 30 days.

Having been affected by this rule nearly every year since its inception, missing students from competitions presents challenges not only to the directors, but also to the students who have to learn not only new spacing, but also sometimes new choreography and new solos. As a preventative measure, directors will talk to all students receiving D's or F's throughout each grading period.

As in the past, we will communicate with the students to give you the best possible guess of the time we will be returning. Please give your student a phone number where you or a "ride home" can be contacted the evening of travel. One suggestion could be to set up a phone tree or a car pool within a smaller group of parents.
